

St. John's Nursery Registration Form

The St. John 9:30 and 11:30 Sunday nursery is being reorganized as a ministry in which those who utilize the services of the nursery will also, on designated weekends, help to staff the nursery. With all parents cooperating we hope to minimize the number of times a person is scheduled. Once enough volunteers have committed to this ministry, a schedule and the contact information of other parent volunteers will be sent out. It will be the responsibility of the parents to make sure that their shift is covered if they cannot be there on their scheduled weekend.

Please be aware that you will need to attend another Mass the weekend you are scheduled to work the nursery in order to fulfill your Sunday obligation.
